## **MEASURING THE ACTOR...**

### **BEFORE YOU START...**

- · HAVE ONE RESPONSIBLE ADULT TAKE ALL MEASUREMENTS SO THERE IS CONSISTENCY
- Do not let the actors measure themselves or each other, or quess!
- · FILL OUT ALL INFORMATION ASKED FOR ON OUR FORM
- We need ALL the information asked for to give our costume professionals the best possible picture of the size & shape of each person
- IF YOU ARE UNSURE ABOUT HOW TO TAKE A PARTICULAR MEASUREMENT, CALL US it's much better to ask this is the only information we have in order to make your costumes fit!
- DO NOT USE GARMENT SIZES INSTEAD OF MEASUREMENTS they are **never** the same!
- PLEASE WRITE LEGIBLY IN INK: PENCIL or colored pen WILL NOT FAX
- USE THE NOTES SECTION.
- especially for information about a person that will explain over or undersized parts eg: actor #4 lifts weights; #5 has a belly, #2 wears a back brace and was measured while wearing it
- · IIF YOUR MALE ACTOR IS DRESSING AS A FEMALE or vice versa, measure the actor in the undergarments he or she will be wearing as the character, and put the measurements on the form that reflects the sex of the character. Please alert us to this in the notes section
- \* HAVE YOUR ACTORS WEAR LIGHT WEIGHT, WELL FITTING CLOTHING have them take off bulky sweatshirts, and empty their pockets of wallets & cell phones IF YOU HAVE QUESTIONS, PLEASE CALL AND ASK!

### STAND FACING THE ACTOR:

ask them their name, the character they're playing, and their HEIGHT, WEIGHT, and AGE

# CHEST-male, BUST-female

reach around the upper torso with the tape measure and measure around the biggest part under the

-lower the tape to just under the bust

### WAIST

HIP

largest part

lower the tape to the person's natural waist. About midway between bottom rib and top of hip bone

This used to be the slimmest part of the torso ..

If belly is larger, measure largest part

lower the tape again to 7-9" below the natural waist, or around the

### INSEAM - male

ask the actor (male) to stand with feet about a foot apart, place the tape end at the comfortable top of the inside of one leg & measure to floor

### GIRTH - female

ask the actor to stand with feet about a foot apart, place beginning of tape at the top of one shoulder midway between neck & upper arm, run tape down back to between legs & back up to starting point in front

### WAIST/KNEE

place the tape to the side of the natural waist & measure down to the center of the knee

continue measuring to the floor

### HAVE THE ACTOR TURN BACK TO YOU

### **NECK/WAIST**

find the bony bump at the base of the neck - measure from there to the natural waist

### NECK/FLOOR

continue to the floor

(stands for shoulder to shoulder) place the tape at the edge of one shoulder, measure across back at base of neck to the edge of the other shoulder

### **ACROSS BACK**

place the tape just above one underarm crease on one side, measure across the shoulder blades to the same spot above the other underarm - this is on a plane that is 7-9" below the base of the neck - does not go under the arm

measure just above base of neck

### SLEEVE

ask actor to raise right upper arm away from body about 10" with elbow slightly bent. Start tape at bump at center of back neck, measure over shoulder, around elbow, and up to bump at outside of wrist

### BICEP

measure around widest part of upper arm

## THIGH

measure around widest part of thigh

### **CALF** -male

measure around widest part of lower leg

measure around head above ears where a hat will sit

If the actor is going to be wearing a wig, either measure head with wig on, or tell vusit is head measurement without wig so we may adjust accordingly

# REMARKS

TELL US WHERE THE FULLEST PART AROUND THE TORSO IS, EG: BUST, WAIST, or BELLY, AND WHAT IT MEASURES
 MEASURE CAREFULLY - COSTUMES WILL ONLY FIT AS WELL AS THE MEASUREMENTS ARE ACCURATE
 NOTE - WE DO NOT SUPPLY FOOTWEAR
 IF THERE ARE COUPLES WHOSE COSTUMES ARE TO GO TOGETHER, PLEASE INDICATE WHO THEY ARE
